It is a fanfiction writing contest where you will have to create a crossover of two different fictional universes. Say, “What if Sherlock Holmes went to Game of Thrones?” You’ll have to come up with one such theory. And in the story, you have to ponder and speculate how things in that universe would have turned out if the character they had chosen were present in it.

- Only one entry in English per person is allowed.
- If you are worried about your phrasing, don’t fret! You need not worry about grammar. We will let it slide as long as your creativity is stellar.

- Creativity
- Character authenticity
- Storyline
- Overall Impact
